MCRC News

A new roof has been installed on the MCRC clubhouse at a cost of \$7,000.00.

The roofs of the 1st and 3rd Trailers, which had been leaking, have been repaired by volunteer members of the club. We would like to extend our gratitude to all the volunteers who helped fix the trailer roofs.

If you haven't paid your 2025 MCRC Membership dues, it's still time to do so. Please contact Wayne Smith at kamwns@verizon.net, or call Wayne at 813-464-9965 if you have questions or concerns about your 2025 MCRC membership.

MCRC's Membership Badges

Please email David Cutaia at dcutaia8453@gmail.com if you need a MCRC Membership badge. We encourage you to wear your MCRC Membership Badge while at the MCRC field to identify yourself as a member and help others get to know your name. The badge holder opens at the top, allowing you to insert your AMA card with your MCRC badge.

MCRC Board Meeting

The next scheduled MCRC Board meeting will be held on March 16th at 10:00am. All MCRC members are welcome to attend the board meeting to discuss any concerns they have with the MCRC board. Following the board meeting, there will be a general MCRC meeting with lunch being served.

MCRC Field Maintenance

Field Maintenance is an ongoing need. Volunteers for field maintenance, including mowing and some small projects are needed. Please contact Joe Klein if you can help.

Finances

Wayne Smith has reported that the club's finances are in good shape. We've welcomed several new members, and our financial situation is healthy. Currently, there are no plans for dues increase or assessment. Any member is welcome to view our financial records upon request.

Wayne uses "QuickBooks" and our reports are accurate. We have sent a reminder email to members with outstanding membership dues and will be contacting them soon to inquire if they would like to continue their MCRC membership.

For Sale

If anyone has items for sale related to radio control, please send an email to dcutaia8453@gmail.com with pictures and a description. I will include the item for sale in the For Sale section of the newsletter. Maurice Spence manages our clubhouse shop. If you need any radio control items, please contact Maurice Spence, and he will check the clubhouse shop and get back to you with the item's price.
