MCRC News

There was no June board meeting because of Father's Day. The next scheduled MCRC Board meeting will be held on July 20th at 10:00am.

Hi All, Joe Klein here, I'm in charge of field maintenance. I would just like to mention a few things. In an effort to be environmentally friendly I have left a bucket in the east side shelter where you can dispose of your unwanted lipo batteries. I plan on taking them to the Manatee landfill where they have E-recycles and they can be properly disposed of.

I am also requesting some help here. When Milton came through last year it tore up a large section of the runway. I read that in some locations in Manatee they are offering free sandbags throughout the season. If you can, please pick some up and leave them at the back of the two

flight stations on the concrete against the chain link fence. Let's be prepared for the next hurricane. See the link below for locations.

Last thing, if you crash a plane, (sorry), can you please take it home with you to dispose of. I'm tired of carrying out all your wreckage.

If you want to participate in the Tuesday / Friday field maintenance program, just give me a call, 914 420-8617, all are most welcome.

Nancy Iannucelli, the widow of MCRC member Tony Iannucelli, generously donated many of Tony's radio control items to the MCRC club. We have added these donated items to our shop.
